##### **Mr. Ramakant Mishra**

Retired Director, Institutional Finance  
and Additional Secretary of Finance Department,  
Govt. of Odisha

Mr. Ramakanta explained credit monitoring as the auditing of one's credit history to detect any suspicious activity or changes. Companies offer such service on a subscription basis, typically granting regular access to one's credit history, alerts of critical changes to one's credit history, and additional services. Mr Mishra also threw some light on how credit monitoring can help detect credit related fraud and identity theft. His second point of symposium was NPA management, where he...
