DIRECTOR'S MESSAGE,

Prof. Pratap C Biswal

Established in 2011 by RP-Sanjeev Goenka Group under the aegis of IMI Delhi, IMI Bhubaneswar stands on a 16-acre lush green campus. In keeping with its vision, IMIB has distinguished itself by its excellent academic programs, executive education, research across management and related disciplines, and support for entrepreneurs since its inception. Over 500 alumni and 1000+ executives are making a significant contribution to the social and economic growth of India.

The IMI Bhubaneswar is dedicated to cultivating socially conscious and ethically grounded managers who possess contemporary management acumen. To address the evolving business challenges, IMI Bhubaneswar adopts an interdisciplinary approach and incorporates the contemporary analytics domain into its program.

Despite being a young institute, IMI Bhubaneswar has been innovative from the beginning. Our two-year Post Graduate Diploma in Management Program (PGDM) offered business analytics well before other contemporary B-schools. The Fellow Programme in Management (FPM), approved by AICTE, attracts research talent equally from fresh scholars and senior industry practitioners. A recent addition is a two-year Post Graduate Diploma in Management (PGDM-Online) approved by AICTE. The IMI Incubation Foundation is equipped to help qualified individuals start their business ventures.

While our faculty are outstanding scholars in their respective disciplines with publications in leading academic journals, they are also inspiring teachers, impactful consultants, award-winning case writers, and policy advisers.

Reflecting these strengths, IMI Bhubaneswar has achieved numerous milestones. IMI Bhubaneswar has attained coveted accreditation from the Association of MBAs (AMBA), the National Board of Accreditation (NBA), the Association of Universities (AIU) equivalence for the PGDM Programme, and Graded Autonomy status from the All India Council for Technical Education (AICTE). IMI Bhubaneswar has consistently performed well in national rankings (NIRF), showing its commitment to high-quality teaching, training, research, and consultancy.

IMI Bhubaneswar upholds values like respect for the community, passion for excellence, high ethical standards, and a research-driven approach. IMI Bhubaneswar has an ambitious vision that is poised to create a significant impact in the industry and local community and provide impetus to the start-up ecosystem.

I take this opportunity to extend a personal invitation to all the stakeholders to visit the IMI Bhubaneswar campus and experience the shaping of responsible leaders.

IMI BHUBANESWAR

A Leading Business School of International Repute

International Management Institute (IMI) Bhubaneswar was established in 2011 to build on the legacy of IMI Delhi and the spirit of RP-Sanjiv Goenka Group. The institution's vision is to develop socially sensitive, ethical, and value adding leaders and organizations through relevant teaching, research, training, and consulting. The aesthetically designed exteriors, wide open green spaces, high-tech classrooms, state-of-the-art library and computer center in a fully residential 16-acre campus in the serene surroundings of IDCO Institutional Area in Odisha's capital city of Bhubaneswar offers a highly conducive learning ambience to the management leaders of today and tomorrow. IMI is known for diversified activities including Teaching, Training, and Research & Consulting which are the four Pillars of Quality Education.

- AICTE approved two-year full-time Post Graduate Diploma in Management (PGDM)
- Online PGDM
- Fellow Programme in Management (FPM)
- Corporate Training Programme (MDP)
- Faculty Development Programme (FDP)

An educational institution known by its intellectual capital, under able leadership of Prof. Ramesh Behl, IMI Bhubaneswar has roped in alumni from best institutions in the country as faculty. All the faculty members are doctorate and have got rich experience of academia and corporates. The faculty members regularly conduct Management Development Programmes (MDPs) and bring rich experience to the classroom. The average per capita research output of IMI Bhubaneswar faculty is over 2.7 per year, which is much higher than most of the leading business schools across India. IMI Bhubaneswar prides itself in a student-driven institution. The students are at the forefront of every activity. Institution is run like an entrepreneurial venture, which helps in inculcating in them corporate readiness even before they pass out of the campus. Over the years, we are able to maintain 100 percent placement every year with decent average salary growth of 15-20 percent on year-on-year basis.

VISION

To be a premier management school with global outlook for achieving excellence in knowledge creation and dissemination.

MISSION

E-Cell conducts various events such as boot camps, business plans, etc. It has tied up with NEN for coursework for students. It also conducts entrepreneurship awareness camps, and entrepreneurship development programmes in collaboration with EDII and IED (under MSME, Odisha). Many workshops/events have been conducted by E-Cell in collaboration with bodies like the Bhubaneswar Chapter, ICC Kolkata, etc. It also regularly invites entrepreneurs for talks on its campus. IMI Bhubaneswar is in the process of setting up a Business Development/ Incubation Centre.

The **Competition and Placement Preparation Committee** meticulously prepares study materials tailored to the job description, ensuring relevance and effectiveness. The committee leads engaging training sessions at Board Infinity, focusing on practical skills and knowledge. Monthly, the committee administers aptitude and general knowledge tests to gauge progress and identify areas for improvement. Additionally, the committee organizes corporate competitions and maintains comprehensive documentation for seamless tracking and evaluation. Furthermore, the committee facilitates leadership talks, inspiring and guiding the batch towards personal and professional growth.

COMMITTEES AND CLUBS

Mess Committee are responsible for managing the mess of the campus, ensuring that the mess runs smoothly and providing good quality food to the students, setting the menu, managing the kitchen staff and maintaining hygiene standards. The mess committee plays an essential role in ensuring that the students get nutritious food at affordable prices, which is critical for their physical and mental well-being.

The **Branding and Admission Committee** of IMI Bhubaneswar plays a pivotal role in shaping the institution's brand. They create engaging promotional content for Instagram, organize events like flashmob, and blood donation drives reaching up to 800 people, and utilize platforms like Quora to share positive feedback. Additionally, they assist prospective students during the admission process, ensuring a smooth transition into IMI Bhubaneswar. Through these efforts, the committee enhances the institute's visibility and reputation, both - on and off campus.

The **Sports Committee** is responsible for organizing and overseeing various sports-related activities and events within the academic institution. Its primary objective is to promote physical fitness, sportsmanship, and team spirit among students. The sports committee plays a vital role in promoting a healthy and active lifestyle among students, providing opportunities for sports enthusiasts to excel.

COMMITTEES AND CLUBS

COLOSSEUM

This is the official HR club of IMI, Bhubaneswar. In today's shrinking world, it is very important to manage human potential very effectively and efficiently. We are faced with challenges in every area like employer branding, talent management, and acquisition and retention of the best human resources. Through this club, we would like to provide valuable insights into the field of HRM.

Colosseum is the Marketing Club which is a platform where students get an opportunity to blend marketing theories with real-time applications. It also keeps the student fraternity abreast with the latest happenings in the arena of marketing and branding. The members of the club share a keen passion for marketing, innovative thinking, and, above all, a zeal to learn by doing. The club also looks into organizing guest lectures by industry experts, seminars and workshops, competitions, and quizzes, and serving as a point of contact for all marketing events

INSIGNIA

FINTELLECTS

The club focuses on delivering knowledge on different areas of the financial sector of the world economy which includes Investment Banking, Capital Markets, Corporate Finance, and International Finance. We also work closely with career management and corporate recruiters to put on events for students with the objective to guide students as they prepare for careers in finance through sponsorship of career development Programmed and with the help of the club's relationships with members of the financial community. Finally, the club seeks to promote communication between IMI's alumni that have developed finance careers and current members of the Finance Club.

Cynosure is a student initiative to promote operations, production, supply chain, operations research, and manufacturing studies and activities. It represents the growing interest in the field and has been the unifying platform for students interested in pursuing a career in operations. Team Cynosure works towards generating awareness and interest in a career in operations management - the opportunities and the challenges involved.

CYNOSURE

COMMITTEES AND CLUBS

VISHLESHAN

The club works on giving students a thorough knowledge and hands-on experience of various analytical tools and techniques that are industry-relevant and in high demand in today's corporate world! The club aims to share knowledge and learn new skills and tools among students across institutions.

PRAYAS CLUB

Prayas is the CSR through which we have made an effort to join hands and make a difference by bringing smiles to our faces. We believe in giving back to society through various activities. We act as catalysts to make lives better for the ones who are deprived.

The literary club is responsible for fostering a love for literature, language, and creative expression among students. Its primary objective is to provide a platform for students to explore and engage in literary activities. The literary club plays a vital role in nurturing creativity, critical thinking, and effective communication skills among students. It provides a platform for literary enthusiasts to explore their passion for literature, engage in intellectual discourse, and express themselves through the written word.

LITERARY

PUBLIC POLICY

The club works to provide an understanding of public policy to students, allowing them to undertake critical analysis of public policy decisions and comprehend the nuances of multi-level interaction between government, business and society in the national and international environment. The club encourages debates, dialogues and sharing of ideas on various forums to augment theoretical knowledge with practical learning while sensitizing the student about the policy issues which plague the society around us.

EBSB club has been set up to promote cultural exchanges between people from different regions of the country and to further human bonding. The club is a preliminary step in moving forward for upholding and strengthening the fabric of the traditionally existing emotional bonds between the students of our country. The club organizes events that promote the rich heritage, culture, customs, and traditions of Orissa and helps in developing interactions that enable the innate chord of binding and brotherhood.
