## IMI-BHUBANESWAR STUDENTS IN LOCKDOWN

*While we were running and chasing our dreams, Coronavirus has slowed down our pace. A sudden lockdown has shattered our economy. We have to limit ourselves to four walls. Life has slowed down but what about our dreams? It has been rightly said," [Read More...](#)*

## SAVINGS AND INVESTMENTS TOOL TO ENJOY POST WORKABLE LIFE

*Uncertainty is an integral part of everyone's life whether it is related to weather, politics, natural disasters, or our own future. While the uncertainties related to first three can hardly be mitigated by human beings, the last - our own future can be planned. Therefore, it is imperative that we need to save for our future.*

## THE FLOW

*Let me start with a 'serious joke'. One day an airplane had to land on water. The passengers who were from different nationalities were required to get into a raft to reach the shore. The cabin crew had no idea about how to motivate the passengers and so decided to ask the pilot.*

## **SIP EXPERIENCE- EXECUTIVE B-SCHOOL**

*Internships are exposures to the corporate world that a MBA graduate can get during the period of MBA. This exposure helps the student to apply their classrooms learning in corporate world. [Read More...](#)*

## **USAGE OF BINS**

*The environment is the major concern in today's world. The mankind has been suffering a lot due the environmental issues. The environment can be saved by recycling the waste. Segregation is essential as the amount of waste being generated today causes immense of problem. There are majorly two types of waste - biodegradable and non-biodegradable. [Read More...](#)*
