JOB SEEKERS TOWARDS PROVIDING JOP PROVIDERS

We think the timing of this article is apt as final and summer placements are going on in full swing on campus. Each one of you are busy preparing your CV, taking mock interviews, and participating in selection process of companies. [Read More...](#)

NEXT GENERATION WORKPLACES

Are we heading towards jobless future? - or as Stanford University's Jerry Kaplan says in his best-selling book, it won't be long before "humans need not apply." Future is uncertain. The jobs which are existing today will cease to create opportunities for the jobseekers. [Read More...](#)
