

Diwali Celebration

On 19th Diwali, the festival of lights and happiness was celebrated by the students at IMI with a lot of enthusiasm. Amidst the heavy rainfall and away from their homes the IMI family celebrated Diwali with all their heart. The mahurat...

NEN Workshop

This workshop served as a platform for connecting E-Leaders in the Bhubaneswar region, and to establish a collaborative relationship, exchange of ideas and best practices from within the region.

The first day started off with various team-building activities in which E-leaders from different colleges were grouped together and asked to come up with a substantial event

Omfed Visit

On 28th October, students of IMI Bhubaneswar visited OMFED (Odisha Milk Federation). OMFED was started in 1985 as a state run

cooperative society to promote, produce, process and market milk and milk products. The Bhubaneswar plant of OMFED dairy is the largest plant in the state with the capacity of 2.5 lakh liters of milk every day. The Batch of 2017-19 was pleasantly surprised...

Bramhaji Naidu as member of placement committee

The placement committee is the much sought-after committee in any business school. Working for placement committee gives way to various rewards and responsibilities. My journey in placement committee so far is as follows:

Entry into the placement committee

Member of placement committee is a position ...
