Shaping global Leaders for tomorrow

PLACEMENT REPORT – IMI BHUBANESWAR (2013-14)

The Institute saw an impressive placement performance this year. The faith shown by the industry, the strong IMI-alumni network and the competence of our students have been the prime movers. The year-on-year (y-o-y) growth in final placements in terms of highest package, number of companies that have shown confidence and the number of companies that have recruited has assured us of a bright future for our students. For the year 2013-14, the **summer placement** has been more than 100%, whereas the **final placement** for the 2012-14 batch is on the verge of 100%. The salient features of our placement achievements are as follows.

Final Placements:

Around 40 companies were engaged in the placement process of our students.

The highest salary offered this year is Rs 10.25 lakh per annum and the median salary is Rs. 6 lakh p.a.

The recruiters have expressed satisfaction with the overall trait of the students

Most of this year's recruiters have expressed their willingness to visit our campus for the upcoming batches.

Many of the students have received multiple offers from equally prestigious organizations thereby putting them in a positive state of dilemma.

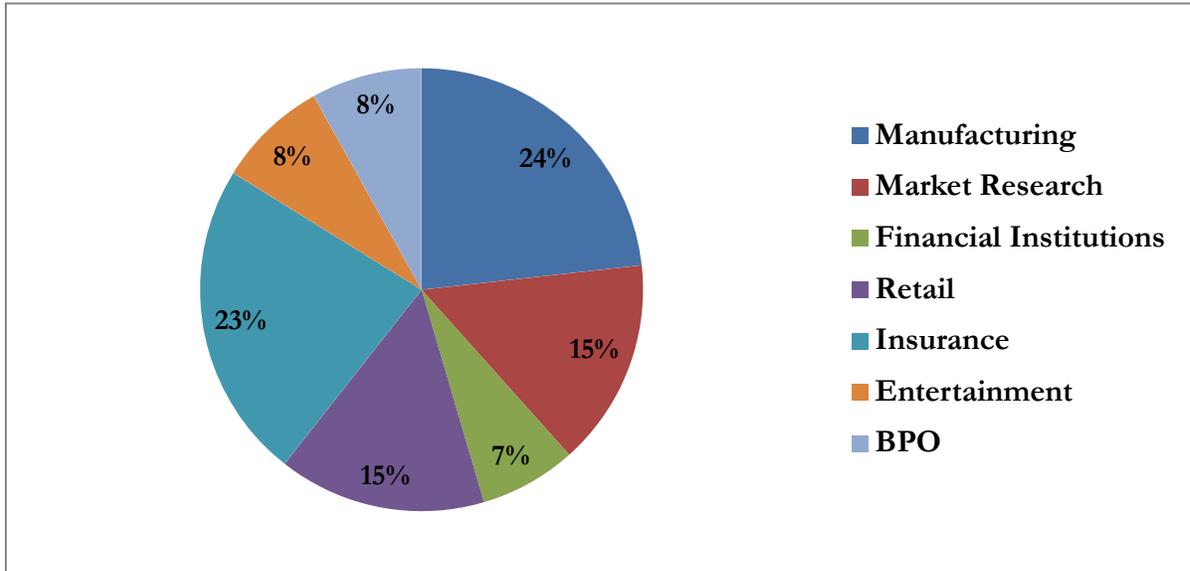

Companies recruited the students in diverse profiles like Dy. Manager, Business Associate, Management Trainees, Consultant, and Assistant Managers.

Companies from BPO, Manufacturing, Durables, Event Management, Retail, Financial Institutions, market research and consulting domains recruited the students.
