Director's Message

Established in 2011, IMI Bhubaneswar is a bustling campus setup under the aegis of IMI Delhi. IMI Bhubaneswar is fast emerging as an internationally reckoned fully integrated management institute of higher learning. IMI Bhubaneswar continues to stand firm on its inviolable pedestal of Perseverance, Passion, and Commitment, instilled by the Mission of creating eminent future managers having unperturbed zeal and vigour, through an aim of inculcating holistic growth and development. IMI is known for diversified activities including teaching, training, research, and consulting, which are the four pillars of quality education and IMI Bhubaneswar is built on the power of these four pillars of quality education. The institute is accredited by National Board of Accreditation (NBA), Association of MBAs (AMBA), and National Assessment and Accreditation Council (NAAC), indicating that IMI Bhubaneswar satisfies the highest standards set by

global accreditation bodies. The institute has been ranked 62 among top B-Schools in India in the rankings announced by National Institute of Ranking Framework (NIRF) India Rankings 2021. The Institute fosters and nurtures leaders of tomorrow inculcating in them the capability of making a difference in the society. The institution is closely knit with the requisites of the ever-changing industry and actively seeks the participation of industry leaders in development of course offerings and to take up research in emerging areas. This also helps us to keep our offerings current and relevant as per the needs of the industry. In addition, IMI Bhubaneswar also provides training to corporate executives, thus making IMI Bhubaneswar a hub for their manpower requirement. The institution also provides the Fellow Programme in Management (FPM), a full-time doctoral level programme designed to enhance the executive's research and consulting skills. Education at IMI Bhubaneswar is primarily based on three concrete platforms i.e., Creation of Knowledge, Dissemination of Knowledge, and Application of Knowledge. The batches of PGDM students have performed stupendously well and often embarked on explicit endeavours in their journey to create new lives for themselves through hard work and sacrifice, holding the torch high for the future batches to follow in their footsteps. The admission procedure for the full-time PGDM programme considers a Composite Score based on the applicant's academic achievement in graduation and at school, score in CAT / XAT / CMAT examinations, and performance in GD and PI. Short-listing and selection are based on a weighted average of the applicant's overall performance.

This is, largely a result of the continuous quality support and guidance by the faculty of IMI Bhubaneswar, which is an eclectic, learned and committed team of professionals drawn from varied streams of discipline with over two-third of them having industry and/or international recognition. The institution believes in a well-rounded and all-pervasive student experience to maximize learning opportunities. To achieve this, the institution provides the course structure that has been thoughtfully designed to enable students to hone their managerial skills and acquaint with the new developments taking place in the industry. The pedagogical tools applied by the faculty members constantly motivate students to be innovative, competent, and creative. The learning imparted by our highly experienced faculty encourages students to inculcate in them, the values of self-reliance, which stand them in good stead in becoming successful managers and brand ambassadors of their organizations. Nested in ecologically invigorating ambience, IMI Bhubaneswar epitomizes a modern age "Gurukul", where talent is nurtured, groomed, and launched into corporate world. We are proud to have a stupendous batch of world-class leaders as our alumni and most profoundly believe that the batch of 2021-23 will uphold the equity of IMI Bhubaneswar and continue to glorify its name for times immemorial. I take this opportunity to extend a personal invitation to you to visit IMI Bhubaneswar and experience the shaping of global leaders.

PROF. RAMESH BEHL
DIRECTOR, IMI BHUBANESWAR

Dean-Career Development & Alumni Relations Message

Dear Recruiters,

We, at IMI Bhubaneswar, take this opportunity to invite you to visit our Campus for Final as well as Summer Placements and experience the vibrancy of our young, creative, and talented group of PGDM students. IMI Bhubaneswar serves as a home to potential future business managers who have a persistent zeal backed by unaltered passion, perseverance and commitment. In their two years stay in the verdant campus of IMI, Bhubaneswar – they are groomed in all aspects of business management. The academic rigor culminated with extra-curricular learning inculcates in them a strong desire to learn continuously, and simultaneously develop a belief system of healthy, inclusive, and sustainable growth for all stakeholders. IMI Bhubaneswar is a young and very vibrant institute which started its journey in 2011. We are proudly carrying on the legacy of IMI Delhi which was established in 1981 as the first corporate sponsored business school of India and is now one of the best business schools in the country.

You will be very happy to know that IMI Bhubaneswar is the youngest business school in the country to be ranked 62nd in India. by NIRF Ranking 2021 (Ministry of HRD, Govt. of India). IMI Bhubaneswar is also accredited by National Board of Accreditation (NBA), Ministry of HRD, Government of India.

IMI Bhubaneswar has an amazing campus as well as aweinspiring academic and extra-curricular infrastructure. It is one of the few institutes in the Eastern region of the country to have three Bloomberg terminals. Marketing students are trained in Markstrat simulation packages for better understanding of marketing concepts and strategy. We also have a very well-equipped library with all kinds and levels of databases – soft as well as hard. We can also very proudly claim that we have excellent faculty in our institute. All faculty members have Ph.D. from the best institutes in the country – IITs and IIMs. All of them comes with industry experience with some faculty members having more than 15 years of industry experience.

We try our best to give our students adequate industry exposure wherein they have a full two-month summer internship in the industry, apart from continuous industrial involvement in form of various Live projects and Industrial competitions. We also organize events and guest lectures where eminent members of the industry come and interact with our faculty and students, imbining in them a strong inclination towards industrial undertakings.

Our students are also exposed to the tenets of corporate governance, and professional values and ethics. Awareness of social responsibility is taught to them through field work in the adjoining villages of our campus. IMI Bhubaneswar also has an Entrepreneurship Cell to promote Entrepreneurial skill sets in the students. Barring this, there are various clubs and committees pertaining to each domain and interest-areas of students to give them a scope for a holistic involvement and development during the two years of management studies. Our curriculum is continuously updated with inputs from thought leaders both from industry and leading management institutions across the globe. Business Leadership series where business leaders from across the country share their experiences with students, is also organized from time to time.

We at IMI Bhubaneswar focus on holistic development of the students and try to make them day one ready for the corporate. We are fortunate that since the beginning our placements have been 100% and has always received positive feedback from the recruiters. Our alumni are already doing very well across the best organizations in the country and hence, we are sure that our students will make their mark in the organizations they work for. We had a phenomenal placement season this year which witnessed a paradigm shift as a result of substantial trust and confidence of the recruiters in the brand. I would like to express my heartfelt gratitude to all the venerated recruiters for extending their continual and incessant support and faith in our students. We are sure that your visit to our campus will be fruitful and will pave the way for a long-term relationship between us. I welcome you to IMI Bhubaneswar for Placement Season 2022-23.

PROF. RAHUL GUPTA CHOUDHURY,
IMI BHUBANESWAR

IMI BHUBANESWAR

- A Leading Business School of International Repute

International Management Institute (IMI) Bhubaneswar was established in 2011 to build on the legacy of IMI Delhi and the spirit of RP-Sanjiv Goenka Group. The institution's vision is to develop socially sensitive, ethical, and value adding leaders and organizations through relevant teaching, research, training, and consulting. The aesthetically designed exteriors, wide open green spaces, high-tech classrooms, state-of-the-art library and computer center in a fully residential 16-acre campus in the serene surroundings of IDCO Institutional Area in Odisha's capital city of Bhubaneswar offers a highly conducive learning ambience to the management leaders of today and tomorrow. IMI is known for diversified activities including Teaching, Training, and Research & Consulting which are the four Pillars of Quality Education.

IMI Bhubaneswar currently offers:

- AICTE approved two-year full-time Post Graduate Diploma in Management (PGDM)
- PGDM (Part Time) for working executives
- Executive education
- Fellow Programme in Management (FPM)
- Corporate Training Programme (MDP)
- Faculty Development Programme (FDP)

An educational institution known by its intellectual capital, under able leadership of Prof. Ramesh Behl, IMI Bhubaneswar has roped in alumni from best institutions in the country as faculty. All the faculty members are doctorate and have got rich experience of academia and corporates. The faculty members regularly conduct Management Development Programmes (MDPs) and bring rich experience to the classroom. The average per capita research output of IMI Bhubaneswar faculty is over 2.7 per year, which is much higher than most of the leading business schools across India. IMI Bhubaneswar prides itself in a student-driven institution. The students are at the forefront of every activity. Institution is run like an entrepreneurial venture, which helps in inculcating in them corporate readiness even before they pass out of the campus. Over the years, we are able to maintain 100 percent placement every year with decent average salary growth of 15-20 percent on year-on-year basis.

VISION:

To be a world-class business school, achieving excellence in management education and research through continuous competency building.

MISSION:

- To develop outstanding managerial talent capable of providing enlightened and effective leadership
- To further the advancement of knowledge in the field of management by undertaking relevant Research Programs
- To collaborate with counterpart institutions, industry and government in the development and application of new knowledge for the betterment of the society.

2. Repositioning HR in Changing Business Scenario” in collaboration with NHRDN
3. Roundtable of CSR Heads
4. Roundtable for Civil Society

Management Conclaves

The purpose of the hosting management conclave is to augment the interface between academe and industry for the transformation of the business environment in India. Several industry stalwarts and top academics participated in this conclave. - Panel Discussion on FinTech and Banking – The Road Ahead for the Indian Banking and Financial System; organized on 17th August 2019 at IMI Bhubaneswar Campus.

Intellectual Capital- Faculty @ IMI B

With More than 220 publications since beginning of the institution, the faculty members at IMI Bhubaneswar produce around 30 different types of publications every year. Prominent amongst them are Journal Articles, Books, chapter in books etc. The faculty members have written many award-winning case studies which are now featured in case repositories across the globe. The average research output of IMI Bhubaneswar faculty is around 2.7 research publication per year which is considered as high in academic world.

The pedagogy followed by the faculties includes: Case Study Approach

The practice of putting students in the shoes of managers and applying theoretical skills to real life unstructured problems has proved to be a successful approach to learning over the years.

Term Projects

The term projects are the perfect mix of academic research and practical scenarios which is central to every B-school. It is a combination of the insightful research and analytical thinking on a topic that reflects what is taught in the classroom and its relation to the current business scenario.

Industry Aligned Pedagogy

It includes guest lectures from industry experts along with live projects as part of the course curriculum. This ensures a continuous industry interaction process that aims to provide students with an insight into current global trends and future business opportunities.

Online simulations

Markstrat, use of Bloomberg Terminal, SAP, SPSS, XLMINER, RStudio and KPMG Lean Six Sigma Certification help students to develop a better understanding in the functional domain.

Fellowship Programme in Management

IMI Bhubaneswar offers AICTE approved Fellow Programme in Management (FPM). This programme has been designed to cater to the scholarly needs of the faculty members, researchers and executives willing to pursue rigorous research work at doctoral level. The FPM programme is aimed at giving prospective scholars an academic space to challenge the conventional wisdom and encourage them to extend horizons of current thought into a new realm of knowledge and understanding.

The programme aims to fulfil the following objectives:

- To generate conceptual and empirical knowledge in the field of business management.
- To disseminate knowledge regarding rigorous interdisciplinary research practices.
- To promote ethical research practices.
- To extend the horizon of knowledge in various domains of business management.
- To promote research that leads to actionable decisions by the industry.

Consulting

Though IMI, Bhubaneswar is a relatively new institute, yet it has created a mark for itself in various fields including consulting activities. Faculty members of IMI Bhubaneswar are engaged with various multilateral agencies, government agencies and industries as consultants. Our faculty members have been consultants to organizations such as Indian Oil, SAP Inc., FNST (Germany), UNICEF Odisha, Adam Smith Institute (UK), Baird & Associates (Canada), Chennai Radha Engineering Works (CREW) Pvt. Ltd., Tata Steel, Tata Power (New Delhi), NTPC, ONGC, Bharat Electronics Limited (Kotdwar), Baskin Robbins, MTN-Rwanda Cell (Africa), Chemols Infotech Private Limited, and Foundation to Aid Industrial Recovery.

They have also worked as consultants to various government agencies and departments including the Ministry of Commerce, Ministry of Industries, Department of IT of the Ministry of Commerce and IT, Ministry of Textiles, and Central Board of Secondary Education (CBSE) of the Government of India, and for the Sri Lankan Government.

The core training and consulting expertise of the faculty members lie in areas of e-business, Information System, IPR, Leadership, Cross-cultural Management, Sensitivity/T-Group Training, Team Building, Union-Management Conflict Resolution, SPSS, Designing Service Blue Printing, Employee Branding, Sales Promotion Design, Branding Bschoools and Organizations, Executive Coaching, Talent Management & Retention, Business restructuring, HR Policy, Designing Incentive Schemes, Appraisal Policy, Employee satisfaction, CSR, Responsible Business and Corporate Governance.

Consulting

IMI Incubation Foundation

A need for an incubation center on campus was felt as students who were actively involved in Ecell activities and started their own ventures needed mentoring support. This required tying up with mentors from the industry and in-house faculty involvement from specialized areas. Informally incubation center was started in 2016 and was registered as a section 8 company in 2018-19 in name of IMI Incubation Foundation.

The foundation promotes entrepreneurship/start-ups in the areas of Business Analytics, Enterprise Systems, and Renewable Energy. It is supported by a team of industry mentors and faculty and has a dedicated space. It is the only one in Odisha with a business management focus and provides mentoring support to start-ups who have proof of concept scale up. The center also provides virtual mentoring to startups located outside Odisha. It carries out various activities during the year such as idea hunt, investors' summit, short term programmes on entrepreneurship participates in events organized by state and central government /agencies and other incubation centres.

Life at IMI

Activities/ Events in IMI:

SPARX: Sparx is an attempt to bring the best brains of the state together for competitive and healthy development. The objective is to supplement academic learning with inputs from developments and day-to-day happenings in the industrial forefront and help people develop acumen for the same. It encourages students to achieve academic excellence and increase their awareness of the world around them by creating interest among them in the pursuit of trivial knowledge. It also empowers students with a new understating of what has been, what is now, and what can be.

PHRONESIS: Phronesis is characterized as the "wisdom to take counsel", to judge the goods and evils and all the things in life that are desirable and to be avoided, to use all the available goods finely, to behave rightly in society, to observe due occasions, to employ both speech and action with sagacity, to have expert knowledge of all things that are useful.

International Management Institute, Bhubaneswar takes the meaning of phronesis a step forward by encouraging the management graduates to think beyond the regular course curriculum and come out with solutions that will not only help the corporate world but also society as a whole. It attempts to act as a platform for future managers to voice their opinions and garner their thoughts through a plethora of events including management games, paper presentations, cultural events, and adventure games.

JAZBAA: Jazbaa is a two-day sports event introduced in 2013. Different sports competitions in Football, Cricket, Volleyball, Table Tennis, Chess, etc. are organized among students from various institutions in and around Bhubaneswar. There is an overwhelming response to this event every year.

TEDxIMIB: TEDxIMIB is a TED event organized by IMI Bhubaneswar under license from TED. IMI Bhubaneswar conducted the TEDx event on 29 January 2022 themed "Possibilities" which talked about various speakers and their learnings from their experiences. The event inspired many young minds to follow their passions without the fear of failure or being judged by society.

GLIMPSES OF THE EVENTS

Student Clubs & Committees

PLACEMENT COMMITTEE: The Placement Committee is a student body that has been formed to interact with companies on a continuous basis in order to bring the optimum and best-fit career opportunity to the students of IMI-Bhubaneswar for the summers and final placement. It also facilitates prospective employers by organizing institute-industry interaction regularly and providing complete support for arranging placement activities on the campus.

MEDIA AND PR COMMITTEE: The media and public relations committee is IMI-B's source of interaction to the outside world. Any kind of information flow is through Media and PR committee. The committee is committed to provide all kind of relevant information about the B-school and is one of the core committees of the school.

CULTURAL COMMITTEE: Cultural Committee takes care of all the fun and cultural part of this 2-year experience starting from small campfire to specific day celebrations, picnic, annual day celebration or any event-cultural com has its role in it. It provides scope to showcase students' extra-curricular activities with a lot of fun, enjoyment and celebration.

ALUMNI COMMITTEE: The Alumni committee works as a conduit between the alumni and the alma-mater, both at corporate and personal level. Alumni committee facilitates continued interaction of Alumni with the Institute in interest of sustaining the Institute's ability to maintain a commitment par excellence.

COLOSSEUM (Marketing Club): Colosseum is the Marketing Club which is a platform where students get an opportunity to blend marketing theories with real-time applications. It also keeps the student fraternity abreast with the latest happenings in the arena of marketing and branding. The members of the club share a keen passion for marketing, innovative thinking, and, above all, zeal to learn by doing. The club also looks into organizing guest lectures by industry experts, seminars and workshops, competitions, quizzes, and serving as a point of contact for all marketing events.

FINTELLECTS (Finance Club): The club focuses on delivering knowledge on different areas of the financial sector of the world economy which includes Investment Banking, Capital Markets, Corporate Finance, and International Finance. We also work closely with career management and corporate recruiters to put on events for students with the objective to guide students as they prepare for careers in finance through sponsorship of career development Programmed and with the help of the club's relationships with members of the financial community. Finally, the club seeks to promote communication between IMI's alumni that have developed finance careers and current members of the Finance Club.

INSIGNIA (HR Club): This is the official HR club of IMI, Bhubaneswar. In today's shrinking world, it is very important to manage human potential very effectively and efficiently. We are faced with challenges from every area like employer branding, talent management, and acquisition and retention of the best human resources. Through this club, we would like to provide valuable insights into the field of HRM and give an overview of how the HR field is being perceived and attempt to bring a fresh perspective on HR issues and challenges that the business world faces today.

CYNOSURE (Operations Club): Cynosure is a student initiative to promote operations, production, supply chain, operations research, and manufacturing studies and activities. It represents the growing interest in the field and has been the unifying platform for the students interested in pursuing a career in operations. Team Cynosure works towards generating awareness and interest in a career in operations management - the opportunities and the challenges involved. Apart from that the club also tries to interact with industries as much as possible. For this, we arrange for industrial visits and talk with industry personnel.

PRAYAS (CSR Club): Prayas is the CSR through which we have made an effort to join hands and make a difference by bringing smiles to our faces. We believe in giving back to society through various activities. We act as catalysts to make lives better for the ones who are deprived. The club aims to make the planet a better place to live in.

E-CELL (Entrepreneurship-Cell): IMI has a very active Entrepreneurship-Cell (E-Cell). It is a platform for the students to develop as future entrepreneurs. E-Cell conducts various events such as boot camp, business plan, etc. It has tied up with various agencies for coursework for students. It also conducts entrepreneurship awareness camps, and entrepreneurship development programmed in collaboration with EDII and IED (under MSME, Odisha). Many workshops/events have been conducted by E-Cell in collaboration with bodies like IIC Bhubaneswar Chapter, ICC Kolkata, etc. It also regularly invites entrepreneurs for talks on its campus. IMI Bhubaneswar is in process of setting up a Business Development/Incubation Centre.

BRANDING COMMITTEE: The Branding Committee is here to take care of all the admission related discussions, queries and suggestions from and to the prospective students. Through the committee, the IMI-B family tries to help prospective students have a clearer picture of their future and guide them through the process.

PLACEMENT PREPARATION COMMITTEE: The Placement Preparation Committee supports students in their preparation for placements by providing them with multiple opportunities and access to valuable data and resources. The committee strives to meet this need by organizing pre-placement training/workshops/seminars for students to bridge the gap between the industry standard and current standard of students for recruitment purposes.

Alumni Speaks

Mr. Navneet Goel

VP and Regional Head VP and Regional Head at IndusInd Bank

"With 2 years of prior work experience and stable job, I was a bit apprehensive joining IMI Bhubaneswar. But with the backing of IMI Delhi, and its long standing association with reputed business houses I have decided to tread this path. Being a new Institute it had its own charm. Students had a lot of involvement in organizing events, taking new initiatives, undertaking placement related activities and channelizing efforts towards establishing the institute. This also honed our entrepreneurial skills. The methodology of teaching and the domain knowledge of the faculties acted not only as a catalyst in developing a better understanding of the subjects but also helped us to develop a structured approach towards problem solving" I am sure in time to come the institute will establish itself as Mecca of Business Education in the country.

Aastha Bansal

Consumer Product Insights Professional (Global role) at Reckitt

It really gets tough for me to even imagine my pleasure and success without IMI-Bhubaneswar, the place which has nourished me as an individual and helped me to fulfil my aspiration of experiencing and exploring life in every credible way. The first step towards my new journey of entering the Corporate World would not have been so easy without the incredible learning at IMI-Bhubaneswar. The knowledge acquired through books, beyond books, image building, confidence, grooming sessions, all these factors influenced my professional growth in a very positive and effective manner. Today, I feel like a winner at my workplace. 'Yes! I did it' - feeling boosts me every time I accomplish a new task at my workplace. Like white colour contains all the colours of a spectrum, IMI-Bhubaneswar is the place which carries all the colours and essence of developing leaders for tomorrow's world. No wonder if more and more work is coming in my ways, thanks to IMI-Bhubaneswar for making me strong and confident welcoming challenges and seeing off them with accomplishments. The assets that I have gained from here will always remind me of the moments I spent here with 'fun and learn' theme, also I am sure with the first step taken at IMI-Bhubaneswar, I will reach at the top of the stairs of success which is no doubt an endless journey and all the knowledge and experience acquired, I am encashing at my workplace in terms of appreciation, respect, self-confidence and above all self-satisfaction. What else a fresher like me will look for?

Today, I miss the beautiful campus with even beautiful souls and the memories so created will remain enchanted beyond any time frame. My best wishes to everyone who has been associated with my memorable journey in the past 2 years. I will always remain indebted towards IMI-Bhubaneswar for embedding all the colours of student life in an indelible corporate learning for me.

BIBHU PRASAD RATH

Assistant Manager - Consumer Insights at ITC Limited

It's a myth that "Things we learn in classroom are never used in practical". IMI-B gives you the platform to use it and pursue your passion in the aspired industry. Some constraints, some apprehensions but lots of expectations and excitement: My journey at IMI-B started with all these emotions. At the end of two years it was beyond the expectation I had set for myself. "MBA is all about learning": Whether it is inside the classroom or outside the classroom through events and various clubs & committee responsibilities (I was involved with cultural, student relation and corporate relation activities).

From everything that I have learnt here, If i have to pick the 3 most important things, then those will be "Patience" Confidence" and "Effort".. These may seem very generic but these are some key requirement to get succeed. Now the corporate life at IMRB. Everything that I have learnt in marketing, Consumer Behaviour & MR is being utilised here. Thanks to IMI for the high level of academic focus and quality teaching. The first few days at IMRB has been really great and exciting. But focus has not shifted from learning.. really, "We learn till we die"..

Placement Report 2022

International Management Institute, Bhubaneswar (IMI-B) has successfully concluded its 100 % Final and Summer Placement of Post Graduate Diploma in Management (PGDM) Programme for the class of 2020-22 and 2021-23 respectively. Like every year we received an overwhelming response from the corporate sector. This year, more than 50 recruiters have conducted process for Final Placement.

IMI Bhubaneswar announces the 100%
