Alumni Speaks

Mr. Navneet Goel
PGDM 2011-13 Batch
AVP – Yes Bank

“With 2 years of prior work experience and stable job, I was a bit apprehensive joining IMI Bhubaneswar. But with the backing of IMI Delhi, and its long standing association with reputed business houses I have decided to tread this path Being a new Institute it had its own charm. Students had a lot of involvement in organizing events, taking new initiatives, undertaking placement related activities and channelizing efforts towards establishing the institute. This also honed our entrepreneurial skills. The methodology of teaching and the domain knowledge of the faculties acted not only as a catalyst in developing a better understanding of the subjects but also helped us to develop a structured approach towards problem solving” I am sure in time to come the institute will establish itself as Mecca of Business Education in the country.
