DIRECTOR'S MESSAGE,

Prof. Ramesh Behl

Established in 2011, IMI Bhubaneswar is a bustling campus setup under the aegis of IMI Delhi. IMI Bhubaneswar is fast emerging as an internationally reckoned fully integrated management institute of higher learning. IMI Bhubaneswar continues to stand firm on its inviolable pedestal of Perseverance, Passion, and Commitment, instilled by the Mission of creating eminent future managers having unperturbed zeal and vigour, through an aim of inculcating holistic growth and development. IMI is known for diversified activities including teaching, training, research, and consulting, which are the four pillars of quality education and IMI Bhubaneswar is built on the power of these four pillars of quality education. The institute is accredited by National Board of Accreditation (NBA), Association of MBAs (AMBA), and National Assessment and Accreditation Council (NAAC), indicating that IMI Bhubaneswar satisfies the highest standards set by global accreditation bodies. The institute has been ranked 67th among top B-Schools in India in the rankings announced by National Institute of Ranking Framework (NIRF) India Rankings 2023. The Institute fosters and nurtures leaders of tomorrow inculcating in them the capability of making a difference in the society. The institution is closely knit with the requisites of the ever-changing industry and actively seeks the participation of industry leaders in development of course offerings and to take up research in emerging areas. This also helps us to keep our offerings current and relevant as per the needs of the industry. In addition, IMI Bhubaneswar also provides training to corporate executives, thus making IMI Bhubaneswar a hub for their manpower requirement. The institution also provides the Fellow Programme in Management (FPM), a full-time doctoral level programme designed to enhance the executive's research and consulting skills. Education at IMI Bhubaneswar is primarily based on three concrete platforms i.e., Creation of Knowledge, Dissemination of Knowledge, and Application of Knowledge. The batches of PGDM students have performed stupendously well and often embarked on explicit endeavours in their journey to create new lives for themselves through hard work and sacrifice, holding the torch high for the future batches to follow in their footsteps. The admission procedure for the full-time PGDM programme considers a Composite Score based on the applicant's academic achievement in graduation and at school, score in CAT / XAT / CMAT examinations, and performance in the PI. Short-listing and selection are based on a weighted average of the applicant's overall performance.

This is, largely a result of the continuous quality support and guidance by the faculty of IMI Bhubaneswar, which is an eclectic, learned and committed team of professionals drawn from varied streams of discipline with over two-third of them having industry and/or international recognition. The institution believes in a well-rounded and all-pervasive student experience to maximize learning opportunities. To achieve this, the institution provides the course structure that has been thoughtfully designed to enable students to hone their managerial skills and acquaint with the new developments taking place in the industry. The pedagogical tools applied by the faculty members constantly motivate students to be innovative, competent, and creative. The learning imparted by our highly experienced faculty encourages students to inculcate in them, the values of self-reliance, which stand them in good stead in becoming successful managers and brand ambassadors of their organizations. Nested in ecologically invigorating ambience, IMI Bhubaneswar epitomizes a modern age "Gurukul", where talent is nurtured, groomed, and launched into corporate world. We are proud to have a stupendous batch of world-class leaders as our alumni and most profoundly believe that the batch of 2022-24 will uphold the equity of IMI Bhubaneswar and continue to glorify its name for times immemorial. I take this opportunity to extend a personal invitation to you to visit IMI Bhubaneswar and experience the shaping of global leaders.

CHAIR-CAREER DEVELOPMENT & ALUMNI RELATION MESSAGE,

Prof. Shirshendu Ganguli

We, at IMI Bhubaneswar, take this opportunity to invite you to visit our Campus for Final as well as Summer Placements and experience the vibrancy of our young, creative, and talented group of PGDM students. IMI Bhubaneswar serves as a home to potential future business managers who have a persistent zeal backed by unaltered passion, perseverance and commitment. During their two years stay in the verdant campus of IMI, Bhubaneswar – they are groomed in all aspects of business management. The academic rigor combined with extracurricular learning inculcates in them a strong desire to learn continuously, and simultaneously develop a belief system of healthy, inclusive, and sustainable growth for all stakeholders. IMI Bhubaneswar is a young and very vibrant institute which started its journey in 2011. We are proudly carrying on the legacy of IMI Delhi which was established in 1981 as the first corporate sponsored business school of India and is now one of the best business schools in the country.

You will be very happy to know that IMI Bhubaneswar is the youngest business school in the country to be ranked 67th in India. by NIRF Ranking 2023 (Ministry of HRD, Govt. of India). IMI Bhubaneswar is also accredited by National Board of Accreditation (NBA), National Assessment and Accreditation Council (NAAC), & AMBA. IMI Bhubaneswar has an amazing campus as well as awe inspiring academic and extra-curricular infrastructure. It is one of the few institutes in the Eastern region of the country to have three Bloomberg terminals. The students are trained in Mark Strat simulation packages for better understanding of marketing concepts and strategy. We also have a very well-equipped library with all kinds of databases. We can also very proudly claim that we have excellent faculty in our institute. All faculty members have Ph.D. from the best institutes in the country – IITs and IIMs. All of them come with rich industry experience with some faculty members having more than 15 years of industry experience.

We try our best to give our students adequate industry exposure wherein they have a full two-month summer internship in the industry, apart from continuous industrial involvement in form of various Live projects and Industrial competitions. We also organize events, guest lectures and Business Leadership series where eminent members of the industry come and interact with our faculty and students, imbibing in them a strong inclination towards industrial undertakings. Our students are also exposed to the tenets of corporate governance, and professional values & ethics. Awareness of social responsibility is taught to them through field work in the adjoining villages of our campus. IMI Bhubaneswar also has an Entrepreneurship Cell to promote Entrepreneurial skill sets in the students. Barring this, there are various clubs and committees pertaining to each domain and interest-areas of students to give them a scope for a holistic involvement and development during the two years of management studies. Our curriculum is continuously updated with inputs from thought leaders both from industry and leading management institutions across the globe.

We at IMI Bhubaneswar focus on holistic development of the students and try to make them ready for the corporate from day one. We are fortunate that since the beginning our placements have been 100% and has always received positive feedback from the recruiters. Our alumni are already doing very well across the best organizations in the country and hence, we are sure that our students will make their mark in the organizations they work for. We had a phenomenal placement season this year which witnessed a paradigm shift as a result of substantial trust and confidence of the recruiters in the brand. I would like to express my heartfelt gratitude to all the venerated recruiters for extending their continual and incessant support and faith in our students. We are sure that your visit to our campus will be fruitful and will pave the way for a long-term relationship between us. I welcome you to IMI Bhubaneswar for Placement Season 2023-24.

COMMITTEES AND CLUBS

The Placement Committee is a student body that has been formed to interact with companies on a continuous basis in order to bring the optimum and best-fit career opportunity to the students of IMI-Bhubaneswar for the summers and final placement. It also facilitates prospective employers by organizing institute-industry interaction regularly and providing complete support for arranging placement activities on campus.

The Media & Public Relations Committee is IMI-B's source of interaction with the outside world. Any kind of information flow is through Media and Public Relations committee. The committee is committed to providing all kinds of relevant information about the B-school and is one of the core committees of the school. MPR also promotes various events, conferences, and news on college social media handles.

The Alumni Committee works as a conduit between the alumni and the alma mater, both at a corporate and personal level. The Alumni committee facilitates continued interaction of Alumni with the Institute in the interest of sustaining the Institute's ability to maintain a commitment par excellence.

COMMITTEES AND CLUBS

Cultural Committee takes care of all the fun and cultural parts of this 2-year experience starting from small campfires to specific day celebrations, picnics, annual day celebrations or any event-cultural com has its role in it. It provides scope to showcase students' extracurricular activities with a lot of fun, enjoyment and celebration.

IMI has a very active **Entrepreneurship-Cell (E-Cell)**. It is a platform for the students to develop as future entrepreneurs. E- Cell conducts various events such as boot camps, business plans, etc. It has tied up with NEN for coursework for students. It also conducts entrepreneurship awareness camps, and entrepreneurship development programmes in collaboration with EDII and IED (under MSME, Odisha). Many workshops/events have been conducted by E-Cell in collaboration with bodies like the Bhubaneswar Chapter, ICC Kolkata, etc. It also regularly invites entrepreneurs for talks on its campus. IMI Bhubaneswar is in the process of setting up a Business Development/ Incubation Centre.

The Competition Cell is responsible for organizing and managing various competitive events and activities within the academic institution. Its primary objective is to provide students with opportunities to enhance their skills, knowledge, and capabilities through participation in competitive settings. the competition cell plays a crucial role in fostering a competitive spirit, encouraging skill development, and providing a platform for students to showcase their abilities within the business school community and beyond.

COMMITTEES AND CLUBS

Mess Committee are responsible for managing the mess of the campus, ensuring that the mess runs smoothly and providing good quality food to the students, setting the menu, managing the kitchen staff and maintaining hygiene standards. The mess committee plays an essential role in ensuring that the students get nutritious food at affordable prices, which is critical for their physical and mental well-being.

The Branding Committee is here to take care of all the admission-related discussions, queries and suggestions from and to the prospective students. Through the committee, the IMI-B family tries to help prospective students have a clearer picture of their future and guide them through the process.

The Sports Committee is responsible for organizing and overseeing various sports-related activities and events within the academic institution. Its primary objective is to promote physical fitness, sportsmanship, and team spirit among students. The sports committee plays a vital role in promoting a healthy and active lifestyle among students, providing opportunities for sports enthusiasts to excel.

COMMITTEES AND CLUBS

COLOSSEUM

Colosseum is the Marketing Club which is a platform where students get an opportunity to blend marketing theories with real-time applications. It also keeps the student fraternity abreast with the latest happenings in the arena of marketing and branding. The members of the club share a keen passion for marketing, innovative thinking, and, above all, a zeal to learn by doing. The club also looks into organizing guest lectures by industry experts, seminars and workshops, competitions, and quizzes, and serving as a point of contact for all marketing events

This is the official HR club of IMI, Bhubaneswar. In today's shrinking world, it is very important to manage human potential very effectively and efficiently. We are faced with challenges in every area like employer branding, talent management, and acquisition and retention of the best human resources. Through this club, we would like to provide valuable insights into the field of HRM.

INSIGNIA

FINTELLECTS

The club focuses on delivering knowledge on different areas of the financial sector of the world economy which includes Investment Banking, Capital Markets, Corporate Finance, and International Finance. We also work closely with career management and corporate recruiters to put on events for students with the objective to guide students as they prepare for careers in finance through sponsorship of career development Programmed and with the help of the club's relationships with members of the financial community. Finally, the club seeks to promote communication between IMI's alumni that have developed finance careers and current members of the Finance Club.

Cynosure is a student initiative to promote operations, production, supply chain, operations research, and manufacturing studies and activities. It represents the growing interest in the field and has been the unifying platform for students interested in pursuing a career in operations. Team Cynosure works towards generating awareness and interest in a career in operations management - the opportunities and the challenges involved.

CYNOSURE

COMMITTEES AND CLUBS

VISHLESHAN

The club works on giving students a thorough knowledge and hands-on experience of various analytical tools and techniques that are industry-relevant and in high demand in today's corporate world! The club aims to share knowledge and learn new skills and tools among students across institutions.

PRAYAS CLUB

Prayas is the CSR through which we have made an effort to join hands and make a difference by bringing smiles to our faces. We believe in giving back to society through various activities. We act as catalysts to make lives better for the ones who are deprived.

The literary club is responsible for fostering a love for literature, language, and creative expression among students. Its primary objective is to provide a platform for students to explore and engage in literary activities. The literary club plays a vital role in nurturing creativity, critical thinking, and effective communication skills among students. It provides a platform for literary enthusiasts to explore their passion for literature, engage in intellectual discourse, and express themselves through the written word.

LITERARY

PUBLIC POLICY

The club works to provide an understanding of public policy to students, allowing them to undertake critical analysis of public policy decisions and comprehend the nuances of multi-level interaction between government, business and society in the national and international environment. The club encourages debates, dialogues and sharing of ideas on various forums to augment theoretical knowledge with practical learning while sensitizing the student about the policy issues which plague the society around us.

EBSB club has been set up to promote cultural exchanges between people from different regions of the country and to further human bonding. The club is a preliminary step in moving forward for upholding and strengthening the fabric of the traditionally existing emotional bonds between the students of our country. The club organizes events that promote the rich heritage, culture, customs, and traditions of Orissa and helps in developing interactions that enable the innate chord of binding and brotherhood.
