THE PROGRAMME

AICTE approved Fellow Programme in Management (FPM) at IMI Bhubaneswar is aimed at giving prospective scholars an academic space to challenge the conventional wisdom and encourage them to extend horizons of current thought into a new realm of knowledge and understanding. The FPM research scholars at IMI Bhubaneswar are expected to undertake a rigorous multidisciplinary approach and engage in original works of theoretical and application-oriented research with far reaching implications.

WHO SHOULD ATTEND

The FPM programme has been designed to cater to the scholarly needs of individuals who are willing to pursue rigorous research work at the doctoral level. These may include:

- Faculty members
- Executives from the government and private sector
- Researchers
- Postgraduates
- MPhil students

AREAS OF SPECIALIZATION

- Finance and Accounting
- Decision Sciences & Operations Management
- Marketing
- Organizational Behaviour & Human Resource Management
- Strategy/General Management
- Information Management & Analytics

PROGRAMME OBJECTIVES

The programme aims to fulfil the following objectives:

- To generate conceptual and empirical knowledge in the field of business management
- To disseminate knowledge regarding rigorous interdisciplinary research practices
- To promote ethical research practices
- To extend the horizon of knowledge in various domains of business management
- To promote research that leads to actionable decisions by the industry

PROGRAMME DURATION

The FPM at IMI Bhubaneswar is a four-year programme which can be extendable by 1 year. However, in case of exceptional circumstances, the programme may further be extended twice by 1 year duration, subject to approval by competent authorities.

PROGRAMME STRUCTURE

The programme is offered in the following two modes:

- Residential programme
- Non-residential programme

Students under residential programme will be required to be present physically on campus throughout the programme.

The programme is divided into two phases. The first phase of two years requires the scholar to undertake course work. Students who have completed their MBA/PGDM will be granted an exemption for the first year of course work. These students will be required to undertake only one year of course work. On completion of the course work, the students will be required to take a Comprehensive Examination (CE). The CE is based on a scholar's chosen area of interest. The purpose of CE is to provide scholars with an opportunity to identify their area of research interest and build sound background knowledge for their dissertations. During the second phase, scholars are expected to work on their doctoral thesis. The award of FPM at the end of the second phase requires the scholar to prepare a thesis proposal, pursue research based on the approved proposal under the guidance of the faculty supervisor, and finally, defend the thesis before the research committee.

COURSE STRUCTURE & CURRICULUM

The subjects to be studied by the students during the coursework are as follows:

Term-I	Term-II	Term-III	Term IV
Quantitative Research Methodology (3 credits)	Qualitative Research Methodology (3 credits)	Area Elective: Seminar Papers -1 (3 credits)	Seminar Paper (3 credits)

Credits: 9	Credits: 9	Credits: 9	Credits: 6
TOTAL CREDITS: 33			

The student will be required to take four electives from his/her area of specialization. Instead of opting for an elective course in the area, a student can also work on a Course of Independent Study (CIS) under a faculty member. If a student decides to work on the CIS, the same will be considered an elective course.

The students will be required to prepare the seminar paper and the paper based on the review of literature as a part of their coursework. These papers would be presented in the in-house monthly

research seminar and should be of publishable quality. The student is required to appear for the Comprehensive Exam (CE) at the end of the course, and on successful completion, they will commence work on their thesis.
