Every year, students of IMI, Bhubaneswar go to the substantial industry for a two-month long project during their summer break. This way, the students get a first-hand feel of the industry, and some they get opportunity of Pre-Placement Offer by the companies in which they are doing their summer internship. This year with 182 batch strength we started our summers in early Aug 2022 and made 100% summers placed in a span of 4 months i.e around Nov 2022.

Proud to announce that we have completed our placement by placing our students in prestigious organizations.

As a representative of my Institute IMI Bhubaneswar , I take this opportunity to thank all of you for your profuse support and encouragement extended to us and our students . We as an institution as well as our students, will put in all our efforts to measures up to the collective oust that you have placed to us . It will be our endeavour always to maintain this relationship with all of you for a very long time to come and also hope that you will keep on providing us with lots of opportunity to learn from all of you. We will always be at your service and hence, please feel free to contact me whenever and wherever required . Thanking you once again for all the support extended to me and my team of placements executives. Thank you very much also for placing your trust and confidence on our students. Hope to be in touch with you all throughout the ensuing year.
