Dear Colleagues,

In order to help students grow academically, socially and professionally, we have instituted a mentoring programme. Each student has been allocated a faculty mentor, who will guide the student through his/her personal and professional life. It is a learning partnership where you are requested to draw upon your knowledge, skill set, and perspective to provide guidance and feedback while facilitating the personal growth and development of the student.

Following is the list of the Mentors and their respective mentees:
