A New Approach

LSEase has established itself as a cost effective, affordable ILMIS and has become equally popular as LIBSYS in the library community. To keep pace with the changing needs of the libraries, LSEase has adopted a new approach with its latest Releases/ Editions incorporating advanced features like

- MARC 21 Cataloguing
- Z39.50 based Net Cataloguing
- Barcode enabled with option for RFID/EM integration
- Integration with smart card / biometric readers
- More interactive and enhanced Web OPAC
- Full Unicode support
- RDBMS based backend
- Integration of multi location libraries

Acquisition
