Dear Bhavana,

Warm greetings from IMI BHUBANESWAR !

Thank you very much for giving our students your time despite your busy schedule and providing them the opportunity to have a mock interview session with you.

It was a great learning experience for them. We got extremely positive feedback from the students and they learnt many new skills including technical and domain concept, their strength and weakness, etc. which would eventually help them in preparation for the upcoming SIP process.

It was a pleasure interacting with you. Hoping to have many more interactive sessions with you in the coming future.

**Thanks and regards,**
