Dear colleagues,

A gentle reminder to register for the FDP, if interested. Kindly ignore, if already registered. The coverage and registration form is attached herewith for your kind reference.

Regards
Santanu

Subject: FDP on "Using R for Research"

Dear Colleagues,

I am happy to intimate you all that IMI-B will conduct a 1-Day FDP on "Using R for Research" for our faculty on June 7, 2018. The basic objective is to impart a basic understanding of the software and to enable the faculty to offer new courses using R or to adopt R for their existing courses. All interested faculty are requested to register for this and kindly submit it to me by June 5, 2018. The coverage of the FDP and the registration form is attached herewith for your kind reference.

Although the course is generic, you may also suggest to include any other topic(s) or to extend the FDP for 2 days. Each day will have 4 sessions of 1.5 hours each.

With best regards,
Santanu
