Dear Sir,

I am confirming that the dates of 20,21,22 August 2019 (Tue, Wed, Thu) will work for us.

We will conduct the following activities in the first of our 3 interventions:

1. Career options (3 hours for the batch)
2. Training roadmap (2 hours for the batch)
3. Resume review (3 hours for group of 36 students – 3 groups)
4. Interview Workshop (1.5 hours for group of 25 students – 4 groups)
5. GD Workshop (2 hours for group of 50 students – 2 groups)

Career options and training roadmap should be scheduled first.  
Can you share the academic schedule so that I can assess the slots?

My colleague Manish Jha and I will be traveling for this workshop. I will confirm the travel plans by Monday.  
We have a lot to prepare for this and we also need the students to do a lot of pre-work for this activity. We would like to get all that started on Monday.

For that please send us the following details immediately:

1. PGP 2 batch data - Name, email address, roll number, SIP details, Academic details, etc in Microsoft Excel
2. Contact details of the student placement committee members – name, email, phone number
3. WhatsApp group with entire PGP2 batch. Someone should add the two of us - Swaroop - 99452 80336, Manish- 9008304400 – we will use this for interactions, instructions and continuous support to the students
4. Last year final placements data - GD topics or cases that were used by companies during the selection process. If there is repository maintained (company-wise topics/ questions) for the same, it would be even better.
5. Last year final placements data - Companies and type of roles that were offered
6. Interview questions(company wise would be great) data for last year finals & JDs that were shared
7. Resume format used by the institute

We need all this to get prepared and send out the pre-work to the students.  
Look forward to receiving this information immediately.

Regards,  
Swaroop

Dear Swaroop,  
23<sup>rd</sup> August – our students will be occupied with their annual cultural activities. So, it will be better to have 20<sup>th</sup>, 21<sup>st</sup>, and 22<sup>nd</sup> August. Please give me the detailed program so that I can discuss in details with my program office.  
Regards,  
Rahul Gupta Choudhury.
